

P7 Home Learning Grid – Autumn Term

Literacy: Reading

Please make reading part of your weekly routine; Genre, length and difficulty are up to you. Create a **book review** to share with the class. You could include: What is the title, who is the author? What kind of book is it? What was your favourite part? What did you enjoy about this book?

☐

Modern Languages: French

Label items around your house with their French names using sticky notes. Try to include a variety of objects like furniture, food or clothes. To make it more fun, challenge yourself to learn one new word each day and add it to your labels!

☐

Numeracy

Revise your times tables – Try a poster, say them out loud or use a fun app or game.
Number words challenge – Practise spelling numbers as words. Try writing 3, 4, 5, 6 or even 7-digit numbers!

☐

Literacy- Talking & Listening

It's time to take the spotlight! Write a short speech on a topic that's important to you—the environment, fairness, children's rights or anything you care about. Make it powerful, make it personal and get ready to share it with the class. We can't wait to hear what you have to say!

☐

HWB – Building Resilience

Create your own Memory Jar filled with items that are special to you. If you don't have a jar, a small box works just as well. Decorate it to show your personality. Add things like photos, drawings, tickets, or notes—anything that represents a favourite memory.

☐

Mathematics

Use your knowledge of multiples, square numbers or triangular numbers to create a number pattern that follows a rule. Write the first 10 numbers and explain your rule.

Challenge: Can someone at home guess your rule just by looking at your pattern?

☐

Literacy: Spelling

- Practise your spelling words using **Look, Say, Cover, Write, Check**.
- Log in to **Sumdog Spelling** and play some games to help with tricky words.

☐

Literacy: Handwriting

Practise your handwriting at home. This could be online or on paper!

Go to www.letterjoin.co.uk

Choose Desktop or Tablet

Username: **wk3449**

Password: **home** or on tablet L shape
(If you need paper or pencils just ask)

☐

Numeracy: Online

- Sumdog: There will be challenges announced in class. You can also join the Sumdog Contest from 22nd September!
- Practise times tables with 'Hit the Button.'

Continue to develop mental recall of addition and subtraction facts.
