

P4 Home Learning Grid – Autumn Term (until December)

Reading: Try to read for fun for a short while every day. You could read comics, picture books, information books or magazines. Class Library day is Wednesday- you can take that book home to read too.

French: Try out some of the games on:
<https://www.frenchgames.net/frenchgames> Can you say your family's birthdays in French?

Numeracy: Check the task section and practise your times tables on Sumdog. Coin rewards may be given out! Your login details have been sent home..

Maths: How many different clocks can you find in your house, they might be on an appliance or device? Can you tell what time it is? Ask a grown up to help you if you can't.
<https://mathsframe.co.uk/en/resources/resource/116/telling-the-time>

Outdoors: Find a tree near your house. Look at it carefully. Draw it as accurately as you can. Now have a look at Writing! ⇒

Writing: Write describing words around the shape of your tree **or** write an acrostic poem **or** even a story about magical creatures that live in the tree.

Science:
<https://www.youtube.com/watch?v=GG+QLFPskQ>

Watch this video about germs. Write some notes and create a spider diagram.

Art/RME: This month it is Diwali. Can you find out about Rangoli patterns and create some of your own?

HWB: Try out some of the Cosmic Kids yoga videos. Can you get your family to join in too?
