

Please find information and links to sign up for ASN Summer Opportunities.

Booking Opens Monday 1st June at 9am

Please note, the link won't be active until this time

This summer we are trialling a new registration system. Instead of booking directly through the Get Edinburgh Active website, families will complete a form to register your interest. After the registration window closes, Active Schools will allocate pupils to a session based on availability. This will hopefully let us allocate groups better to accommodate more pupils. These opportunities are extremely popular, we expect a high number of submissions, if we are unable to offer a space, your child will be placed on a waiting list, and we will contact you in advance if a place becomes available.
