

P6 Home Learning Grid – Summer Term

Reading: try reading different types of texts: newspapers, recipe books, graphic novels, comics and magazines: which do you prefer and why? Do you have any recommendations for the class? Write a list and post to teams

Writing/Social Studies:

Now you are familiar with the layout and features of a script, can you create your own? Could you and some friends present it to the class!?

Mathematics- Angles, Practice estimating and measuring angles!

Numeracy: Check out this code for fractions games!

Social Studies: visit

www.oldleith.org and find some interesting facts about Old Leith. Can you come up with your top ten facts and share them in a poster or power point.

Science: Air resistance

Follow the QR code to research the importance of air resistance – this could help with your F1 project!

Health and Wellbeing:

Bullying, what can we do?

Create an anti-bullying poster sharing your ideas on how to deal with bullying, how can we stop bullying (best ideas).

Handwriting: Practise your

handwriting at home. This could be online or on paper!

Go to www.letterjoin.co.uk

Choose Desktop or Tablet

Username: **wk3449**

Password: **home** or on tablet L shape

(If you need paper or pencils just ask)

Spanish: go to

www.linguascope.com username:

leithpri and password: lingua1!

Practice your Spanish or perhaps you want to learn a new language
