

## P2 Home Learning Grid –Summer Term

**Literacy:** Can you record a plant diary at home to record how tall your plant has grown?

**Science:** Can you go on an outdoor scavenger hunt and make a list of the living and non-living things you see? You could draw pictures to illustrate your list or make a map outlining the living and non-living things on your doorstep.

**Maths:** Carry out a survey with your family and friends. You could explore their favourite colour, movie or flavour of ice cream. Can you present what you find through a tally chart? You could make up as many categories as you like.

**Numeracy:** Log into your Sumdog account and explore some games and numeracy challenges.

**Social Studies:** This term we will learn about caring for our environment. With an adult, can you research an endangered animal? Can you draw a picture of it and write a sentence about why it's important to protect it.

**Art:** Hanami is a Japanese festival celebrating the end of winter through cherry blossom trees:  
<https://www.youtube.com/watch?v=A4vJcngomnQ> Can you go outside, collect some cherry blossom petals and make a collage from them?

**Health and Wellbeing:** Think of something or someone in your community who needs a little help. What could you do to make a difference?

**Technology:** Can you create a treasure map of your garden or local part? Where will you hide the buried treasure?

**French:** Can you learn and sing along to these days of the week and months of year songs?
